REGISTER FOR INTERNATIONAL STUDENT ORIENTATION
The Office of International Services is excited to invite you to Spring 2019 International Student Orientation (ISO)! The ISO schedule and registration information are now posted on the OIS website. Take a moment to review the information and register your participation today. We look forward to welcoming you to campus in January!

Who should attend ISO?
ALL incoming international students who will begin their programs in January should attend Spring 2019 International Student Orientation. This includes international undergraduate, graduate, professional, non-degree and exchange students and international students who are transferring to UIC from a different U.S. school.

What will happen at ISO?
The programs and events offered during International Student Orientation are designed to support the academic, logistical, and social aspects of your life as an international student in the U.S. Topics covered include immigration responsibilities, U.S. culture, academic integrity, housing resources, the history of Chicago and more. You will also have opportunities to network with other international students and make new friends. View the full ISO schedule on the OIS website.

When and where is ISO?
Your orientation schedule outlines session dates, times, and locations. We recommend that new international students book their travel in order to arrive at minimum 1-2 days prior to their first scheduled orientation event. Remember that your initial arrival to the U.S. cannot be more than 30 days prior to the program start date listed on your I-20 or DS-2019.

Why should I attend?
International Student Orientation is not just a time to gather information about UIC. It’s also an opportunity to begin building your network - the system of resources, advisors, and friends who will support you during your time on-campus. The advisors in OIS have seen that students who do not participate in ISO often lack the knowledge and skills necessary to properly maintain their immigration status and take full advantage of the opportunities UIC presents.

How do I register?
Review your schedule on the OIS website and secure your spot in your chosen events by following the registration instructions posted at the bottom of the page.

QUESTIONS?
Still have questions? Contact our New International Student Team at newintl@uic.edu or give us a call at +1 (312) 996-3121. If you’re already in Chicago, feel free to visit us during Open Advising.
