International Students (All Levels)
Course Modality Options for Fall 2020

Please note this is general guidance that may not suit all individual cases. It is based on late May 2020 immigration guidance, but the situation is fluid and subject to change without notice. Contact the OGE Office of International Services for further information or updates (https://www.ois.uic.edu/).

*Transfer and change of level students are viewed the same as continuing students in terms of immigration guidance.

**Blended classes must include some on-campus, in-person instruction.
